Dear Sir or Madam:

Please find enclosed 48-hour report(s) for donors to the Good Government Fund and the 2006 Senator's Classic Committee, whose contributions may be disbursed in the future to the Tom Kean for US Senate committee ("the Committee"), a participant in the referenced joint fundraising committee(s).

The Committee only became aware today of the fact that these contributions may be disbursed to it in the future. While there is some confusion and disagreement as to whether the referenced contributions are subject to the Committee's 48-hour reporting obligations, in an abundance of caution, we are filing this report today to insure that the information is publicly disclosed prior to today's primary election in the state of New Jersey.

Please contact me if you have any questions.

Sincerely yours,

Ronald Gravino  
Treasurer
